Newsletter January 2012

Welcome back to all my friends and a special welcome to all our new educators! Together 2012 will be one of growth, satisfaction and hopefully balance.

**10**  
**10**

Happy Birthday!

Wamark Publishers has been in business for a decade people! We will be celebrating in style and are sending out invitations to your Principals shortly.

### Office news

I would like to welcome our newest member Chantel Le Grange to team Awesomeness. Chantel will be helping me take care of you during the course of this year. My main task this year will be getting the EMS and Accounting workbooks ready for submission in 2013 for the National Catalogue of 2014.

### We need you!

Wamark Publishers is spreading its wings and with the experience gained in publishing the EMS/ Accounting workbooks, we are ready to publish all the other learning areas.

We have attached a poster and would appreciate it if you could put it up on your staff notice board (with permission of course)

For fun!!

**All staff members** can sms a photo of the poster on the staff's notice board to 083 659 3067 and stand in line to win a R 1000 Woolies gift voucher. (Include your name and school)

FREE Download – Essential for grade 8's (Not included in the workbooks)

Please feel free to download the “Introduction to Accounting” from the home page on the website [www.wamark.co.za](http://www.wamark.co.za) it's also available in Afrikaans.

### Updates

We gave the workbooks a little facelift. I hope you like them. The content has stayed the same. I designed a board game (Let me know if it works nicely in practice!) and inserted a few more pictures and slides for interest.

### Guest Speaker

If you would like to book my services to address your learners about my favourite subject, Entrepreneurship, you are welcome to book online from the home page. See ‘Booking Forms’

I personalise my talks around each school's Moto. My aim is to inspire the learners and add value to their EMS learning experience.

### Newsletters

You can now also register on the website to receive our bi annual newsletters via mail.

### Re orders

Additional orders need to be placed by the 31<sup>st</sup> of January 2012. Please download the order form from the website and fax through to 086 611 3855 to avoid delays.

I hope you and your learners reach every goal you have set for yourselves and that 2012 will be a fantastic year for you to look back on.

I wish you many distinctions!!!

Always here for you,

Yvette
