## NEWSLETTER – JANUARY 2014

Dear EMS Educators,

### WELCOME

Firstly I would like to thank all our new schools that have joined our EMS team. I want to make a special mention of the educators from Springs High School for girls as they have been my longest standing customers. Thank you for your continued input, support and encouragement over the 9 years. I hope to continue being a part of the growth within your Accounting and commerce learning areas for many years to come.

### EDUCATOR GUIDES

This Year we have supplied one Educator disc per subject. Please save to your laptop and pass on.

### eBOOKS!

We are so excited about our eBooks! They are truly user friendly and fully interactive i.e. the Learners are able to complete both their EMS and Accounting activities on their devices. There are links to useful websites and interesting  videos. The activities are printable or they can be e mailed to you for assessment.

The Learners only need to download Adobe Reader  and Drop Box  which are free applications in order to use the eBook's. We will also give you training which should take about 15 minutes.

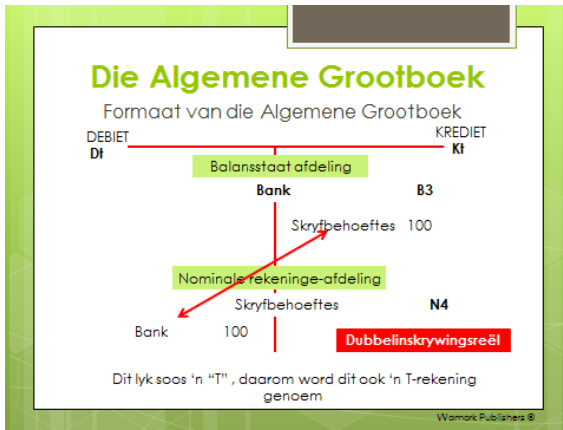

The eBooks are licensed for a year and are considerably cheaper than the printed version. Please give Wade or I a call to come and demonstrate the eBooks if you are considering them for the future. The Afrikaans version will also be available for 2015.

### UPDATES

#### Accounting 8 and 9

A few changes/ corrections were made to the Accounting 8 and 9. They should be perfect now but please let me know if you pick up anything during the course of the year.

### **THE YEAR AHEAD**

This year I am going to concentrate on research, development and updating of the EMS and Accounting publications grade 7 – 9. Wade is going to head up sales and customer support. Wade’s contact number is 0728277925 if you have any queries or concerns. He is so much nicer than me and he is a pleasure to deal with. Please also feel free to contact me personally for anything you may need or even just for a chat.

Here’s wishing you GOOD people everything of the best for 2014. Somewhere, somehow and sometimes even in spite of ourselves, we still make valuable contributions to the societies in which we live.

Yours sincerely,

Yvette
