## Newsletter July 2013

### Updates

We are currently busy tweaking the EMS and Accounting workbooks. We value your input so feel welcome to mail your suggestions/ corrections to [yvetteg@wamark.co.za](mailto:yvetteg@wamark.co.za) by the 31<sup>st</sup> August 2013.

Our workbooks are CAPS compliant. We are not on the National Catalogue (Government Procurement List) due to the format of our workbooks i.e. Accounting being treated as a separate subject/Learning Area.

Our current schools are therefore not using government subsidies to pay for the EMS workbooks i.e. payment is still being made by the learners directly to the school, via bookshops or through us selling directly to the learners.

### Orders 2013/2014

The prices of our workbooks are at an affordable R 110 (inclusive). Please place your EMS and Accounting orders for 2014 by the 30<sup>th</sup> of September 2013 the latest. This price also includes delivery.

### eBooks:

eBooks will be available in January 2014. We will keep you updated on the progress.
