Newsletter July 2010

Greetings!!!

I hope you had a fabulous rest these past few weeks, spending more time with family and friends. My family and I attended the Bafana soccer game using the "Park and Ride" facility and have never been more Proudly South African! I tried a few tasty recipes from Julia Child's French cook book and took a trip with my youngest for his 18th Birthday to Sandton on the awesome Gautrain!

Seminars

The Educator Support Seminars held in JHB, Cape Town and Durban were highly successful. There is such a need for a new approach to EMS and we had a brilliant response from our delegates. We have therefore decided to hold them on an annual basis.

Updates

Due to the nature of an ever evolving economic and social climate, some of the activities will be outdated for 2011. Therefore I am working on updating the workbooks e.g. An activity post the Soccer world cup 2010 (I have been sourcing information during the holidays and have a really cool activity planned) The grade 8 "Inflation" theory will also be simplified and the few gremlins in the accounting workbooks will also be terminated©

Perforation 2010

I have been made aware that some of the tear out pages in some of the Grade 9 EMS workbooks are not perforated properly and learners are struggling to tear them out neatly. Please accept my sincerest apologies. If you would like planned activities for terms three and four to be reprinted for the learners, please fax or e mail me and I will make the necessary arrangements. I want to assure you that measures have been put in place and that this will not be a problem going forward.

Orders 2011

I have included an order form at the back of the brochure. The first 7(seven) educators to fax their confirmed school's order will receive a Woolies Gift card to the value of R300. The deadline for orders is the 30th September 2010.

NB! Approximate learner numbers are sufficient. You may return excess stock for a full refund (A policy unique to Wamark Publishers)

Educator guides on CD

For your further convenience, we now have the Accounting CDs available on "Microsoft Word" if you have a Smart Board or laptop/ projector in your classroom. (You will be able to Kill any stubborn gremlins yourself!).

Entrepreneur of the year competition

We have faxed the details to you during the holidays. If you have not received it via fax you can download it from our website.

Truly Yours

Yvette
