## NEWSLETTER NOVEMBER 2008

Dear Educators,

### PREPERATION FOR 2009

For your convenience the updated Lesson plans and Learning Programme/ Work Schedules have been uploaded onto the web site [www.wamark.co.za](http://www.wamark.co.za) for you to use in your planning for 2009.

I have included herewith updated copies of the EMS grade 8 and 9 Portfolio workbooks. There have been no changes/updates to the Accounting workbooks for next year.

### EDUCATOR GUIDES

The Educator Guides will be delivered in January 2009 before school starts. We will liaise with each and every school to make suitable delivery arrangements.

### “ANC may give OBE the chop”

So read the headlines of the Saturday Star 15<sup>th</sup> November 2008. My first thought was “Oh no! Now I will have to redo these books” Just when you think you have got it all figured out!

I was so relieved to read a letter sent in response by our Minister of Education Naledi Pandor to the Star on Monday the 17<sup>th</sup> (Letter uploaded onto the website if you have not read it already) I wonder what your thoughts on the matter are...

### WEBSITE UPDATES

I have had requests from some educators for grade 8 and 9 accounting tests. If you would like to make a contribution please fax your test/exam and memo to 086 611 3855.

Have you seen the crossword puzzles (Summative Assessments) on the website yet? They will also be included in your educator guides for 2009. I hope the learners will enjoy them!

### MOST IMPORTANTLY

Have a wonderful Christmas with your family and friends. Keep safe and have a well deserved rest.

God Bless you,

Yvette
