**FREE** with every order

Dear Colleagues and Friends,

I hope my letter finds you in good health and many things to be grateful for.

## Change brings growth

I have recently relocated to the South Coast. This means that Wamark now has an office in KZN. I am here to serve you and through hard work, hopefully expand our fan base. Wade and Mark will still be managing the Johannesburg office.

## Accounting Video Tutorials

For 2018 I am recording Tutorial videos for Accounting. The videos will be helpful to learners in home-schools, learners who need extra tuition and learners who are absent due to illness or sporting commitments. The accounting videos are also an invaluable training tool for educators new to our learning area. We will keep you in the loop.

## Posters

We are offering a **25% discount** on poster orders for November and December 2017. Please request and order form if you don't already have one.

## Accounting Workbooks - English only

We have ordered 2 000 additional accounting books (Grades 8 and 9 ) for those schools who would still like to order for 2018. Our listed price is R 160 per workbook. To celebrate Black Friday, we are discounting them to **R 90** each. Till stock lasts.

## eBooks

If your school has gone digital, we have all the workbooks available as e Books which are discounted to **R45** each. Remember that orders are processed for the whole Grade.

## **Discounts valid for orders placed with Wamark Publishers by 15 December 2017**

## **FREE make up bag and handcream OR 2018 desk calendar pad with every purchase**

Please contact either Wade or myself if you would like to see the posters or workbooks. If you would like to order, send us a mail and we'll gladly assist you.

Till next time, God Bless
